

MODEL WRITTEN WORKPLACE VIOLENCE PREVENTION PLAN for GENERAL INDUSTRY (NON-HEALTHCARE SETTINGS)

Overview and directions for using the model plan

Who is this model plan for?

As a result of [California Senate Bill 553 \(SB 553\)](#), all employers that fall within the scope of [California Labor Code \(LC\) 6401.7 and LC 6401.9](#), are required to establish, implement, and maintain an effective, written Workplace Violence Prevention Plan (WVPP) no later than July 1, 2024.

Employers with workplaces covered by California Code of Regulations (CCR), Title 8, [section 3342](#) Violence Prevention in Health Care should not use this model program, but instead implement the requirements of section 3342.

What does the model plan include?

Employers are not required to use this model WVPP. They may create their own, use another WVPP template, or incorporate workplace violence prevention into their existing [Injury and Illness Prevention Program \(IIPP\)](#) as a separate section. Cal/OSHA requires employers to engage with employees in developing and implementing their WVPP. This model plan is intended to help employers develop a separate, stand-alone Workplace Violence Prevention Plan (WVPP). It was written for a broad spectrum of employers, and it may not match your establishment's exact needs. However, it provides the essential framework to identify, evaluate, and control workplace violence hazards.

Use of this model program does not ensure compliance with LC section 6401.9. Employers are liable for any violations of LC section 6401.9 regardless of use of this model program.

How to put the model program to use?

Proper use of this model program requires the employer to identify and ensure that the person or person(s) responsible for implementing the plan:

- Review the full requirements of LC sections 6401.7 and 6401.9.
- Review the requirements for each of the WVPP elements found in this model plan, ensure workplace violence concerns are incorporated, fill in the appropriate blank spaces/instructions in red font enclosed in brackets, and check those items that are applicable to their workplace
- Read <https://www.dir.ca.gov/dosh/Workplace-Violence.html> for additional guidance.
- Obtain the active involvement of employees and their authorized employee representatives in developing and implementing the plan.
- Make the plan available and easily accessible to affected employees, authorized employee representatives, and representatives of Cal/OSHA at all times.
